

Algebra 1 Honors Summer Work

Instructions: It is expected that all of this material is review of 8th grade Pre-Algebra/Algebra. If you need resources to help with the work look back in your notes, your new book, Khan academy, youtube really any resource is acceptable. This is an INDIVIDUAL assignment, however, you may help each other with ideas, concepts, reminders on topics. If you are still confused, unsure, or stressed out and need guidance please email me, rmulhern@holycrosshs-ct.com.

Grading: This packet will count as a 25 pt quiz. It will be followed with a Test within the first 2 weeks of school on this summer work and your early lessons.

Directions: Complete all work on a separate sheet of **loose leaf** (no spirals) paper. **SHOW ALL WORK!!** You will need your book for this upcoming year: Algebra 1 from Pearson, by Elayn Martin-Gay. This can be found through EdTech as a digital download.

Pg 76. Chapter 1 review

2-18 even, 22-40 even, 48-58 even, 64-78 even, 86-92 even, 112-116 even.

That's it! Should you remember your topics from previous years it should be approximately 1-2 hours of work total.
